Leaf Season is after the leaves have completed fall, usually December thru January each year. Rake leaves to the front on your yard nearest to the road, do not block culvert, this can cause flooding and please do not rake leaves onto the road as this can cause accidents due to slippery leaves and non visual edge of road. Again we will put a notice on the Town's Website for the dates of Leaf Season.

If you have question regarding the schedules of the Town, please do not hesitate to contact City Hall on 731-586-2401.
